

Office of Recovery Act Coordination

Department of Health and Human Services

Office of the Assistant Secretary for Financial Resources

Recovery Act:

New Hampshire Highlights

Since the enactment of the Recovery Act in 2009, the U.S. Department of Health and Human Services has made **\$407.5 million in stimulus funds available in the State of New Hampshire*** for community health care centers, universities and other institutions in the state to provide fiscal relief, improve and expand access to health care, provide child care and other social services for its most vulnerable citizens, establish the infrastructure for health information technology, and conduct scientific research.

This includes:

- **\$279.8 million** for the increased Federal share (FMAP) of State Medicaid costs as of Jan. 1, 2011.
- **\$51 million** for scientific research and facilities, including:
 - **\$9.3 million** to Dartmouth College to build surgical suites for research on new procedures and image-guided interventions.
- **\$20.7 million** for community health center services, construction, renovation, equipment, and health information technology (IT), including:
 - **\$3.4 million** for Littleton's Ammonoosuc Community Health Services Inc., and **\$3.2 million** for Newmarket's Lamprey Health Care for construction, equipment and increased demand for services.
 - **\$1.5 million** for Community Health Access Network, New Market, for health IT.
 - **\$631,000** for Manchester Community Health Center for construction, equipment and increased demand for services.
- **\$10.5 million** for Temporary Assistance for Needy Families (TANF).
- **\$5.5 million** for the New Hampshire Department of Health and Human Services to facilitate health information exchange.
- **\$5.2 million** for the Community Services Block Grant for community action agencies to help low-income residents become self-sufficient.
- **\$4.7 million** for the Child Care and Development Fund to increase access to child care and improve quality.
- **\$4.9 million** for Early Head Start and Head Start programs to expand and improve quality.
- **\$995,000** to support 22 National Health Service Corps clinicians providing primary health care in Health Professional Shortage Areas.
- **\$927,000** for the Communities Putting Prevention to Work initiative for State programs targeting tobacco and obesity.
- **\$766,000** for State efforts to fight healthcare-associated infections.
- **\$604,000** for immunization programs.
- **\$485,000** for meals and nutrition services for the elderly.
- **\$250,000** to help strengthen community nonprofit groups.

**The total amount in this document, except for FMAP Medicaid and foster care, adoption assistance and guardianship programs, is based on the HHS Dec. 31, 2010, Financial and Activity Report (FAR) for the American Recovery and Reinvestment Act, available at the Department's website, <http://www.hhs.gov/recovery/reports/index.html>. The FMAP amounts are based on Jan. 1, 2011, data from the Centers for Medicare and Medicaid Services and the Administration for Children and Families. The highlights are a selection of programs funded by the Recovery Act and do not add up to the total ARRA funding within the State. These dollar amounts for individual programs are based on the Dec. 31, 2010, financial report, as well as agency grantee lists and HHS releases. For more information about individual HHS programs and Recovery Act funding, see <http://www.hhs.gov/recovery/>.*
